

VISA/IMMIGRATION  
(Live-Scan)

California Penal Code Section 11105(c)(9) allows the Department of Justice (DOJ) to furnish state summary criminal history information to any individual who is the subject of the record requested if needed in conjunction with an application to enter the United States or any foreign nation. We do not process applications for children under the age of 14.

The DOJ will only mail a response to the applicant. It is the applicant's responsibility to forward the information to their legal counsel or assistance agency.

The following items are necessary to insure the processing of your request. Failure to follow these procedures may result in a delay or the rejection of your application.
